Special thanks to Tony Thompson for accessing suitability and a concept design for the project and Peter Livingston for his skill and knowledge in preparation for this grant.

Areas already identified;

* The bends on Elizabeth Drive , Violet Creek Reserve .

5. CBPG report by Dawn Thompson

This is in regard to the Shoalhaven City Council proposed amended version of Chapter 4 Tree and Vegetation DCP council reference 51354 E

Motion "That, where possible, Crown Land in coastal areas be managed in such a way that the impact on the amenity of adjacent property owners is minimised and that coastal views are protected.
