

Committee Meeting Minutes Thursday 19th March 2026

This meeting was opened at 5.07pm at the Burton St Connection Hub.

Present - Roselie Wood, Anna Everts, Anne Wakefield, Stan Bevanda and David Purlsey

Apologies - Anya Moore and James Cosham

A report on the Combined CCB Consultation meeting process, meetings attended and future was given by the Chair. It was noted that the SCC community consultation process was due to start shortly and followed by continued consultation with the CCB working group. The completed plan, likely to be centered around Accredited Community Forums, will go to a vote at council.

Discussion was held on the upcoming AGM, including the Agenda, Motions to be put and definition of the current membership base. Consideration to inviting a Council rep to discuss LEP reviews was discussed

Membership Plan for the balance of 2026 was discussed with a motion planned for the AGM setting the Fee at \$20

A brief update Banksia St sale was given and noted that further progress from council was being awaited.

Vincentia Community Strategy Plan will proceed to stage 1 being prepared.

A policy on Facebook and Instagram usage is to be developed to enhance the inclusion of the Committee is postings.

Rebranding plans were discussed for implementation by the new Committee after the AGM.

It was noted a plan has been submitted by NRMA and Council to covert 5 parking spaces into EV charging points in Burton St mall without any consultation with the VRRRA.

March Newsletter approval is awaiting draft version.

Meeting closed at 6.56pm

Annual General Meeting - Thursday 16th April 2026 at 6 pm
