Subject: RE: VRRR Request to assist with Bush Fires in Shoalhaven

Hello Lou – we were so happy that you have contacted us on behalf of the Vincentia Ratepayers and Residents Association (VRRR) and that we could donate to those that had been through such a hard time – cannot imagine what it must be like to lose your home and everything that you own!

Bunzl had 30 pallets to donate. We made these into 20 larger pallets and will be distributed as follows :

5 Pallets to our Canberra Office so that they could be given to Animal Rescue Collective – goods included tiny nappies for the Koalas, sanitising, general consumables and medical supplies
5 Pallets to Blazeaid – who have now asked us to send to a warehouse facility in Bega to Bush Fire Relief to be distributed among the outer regions – these included Guest amenities – shampoo, conditioner, body lotions, sewing kits, combs, soap, toilet paper, hand towels, bin liners, bundles of thick twine rope
5 Pallets to South Coast Fire Disaster Relief – again containing Guest amenities – shampoo, conditioner, body lotions, sewing kits, combs, soap, toilet paper, hand towels, bin liners
5 Pallets to Salvation Army and St Vincent DePaul Society to be distributed to those that need.

Many of our Sales Team worked in the warehouse to organise the pallets and they all agreed that they felt exhilarated that we were able to help those that needed. Many of us have families and friends who have in some way been impacted by the Fire Disaster. Our thoughts and prayers have been with them all along the way.

Thank you for contacting us – it was greatly appreciated.

By the way, I had no idea that we would have so much to donate.

Regards
